

PORT MARINE CIRCULAR
No. 16 OF 2022

07 JUL 2022

Shipping Community
Harbour Craft Community

**ADDITIONAL PROVISION APPLICABLE TO FUMIGATED CARGO
TRANSPORT UNIT (UN 3359, IMO Class 9)**

Pursuant to MPA Dangerous Goods, Petroleum and Explosives (DGPE) Regulations 2005 and reference to the International Maritime Dangerous Goods (IMDG) Code Section 5.5.2.5, the following additional measures shall be taken to ensure the safe carriage of Fumigated Cargo Transport Unit (UN 3359) before loading on-board a ship:

- i) Fumigants shall not be applied to the contents of a cargo transport unit once it has been loaded aboard the ship.
- ii) To ensure that a minimum of not less than **twenty-four hours** has lapsed so that there is reasonable uniform gas concentration throughout the cargo before the container doors are shut.
- iii) The master shall be informed prior to the loading of a fumigated cargo transport unit.

3 Any queries relating to this circular should be directed Tel: 6325 2421, and/or email in writing to: hazmat@mpa.gov.sg
