5.10 **END OF CONFERENCE**

25 September 2004 – Visit to Integrated Simulation Centre

Meet at Shangri-La Hotel Lobby @ 8.30am

8.45am till approximately 12.30pm

The MPA will organise a visit to the Integration Simulation Centre. Visit one of Asia's most advanced training complexes to understand how it works as a practical training aide for the world shipping companies.

An invaluable tool that also offers the global bunkering and marine fuels community an additional tool to increase safety, preparedness and efficiency in both day-to-day operations and response training.

Please register at Conference Secretariat by 1700hrs 23 September 2004.
Limited places available to pre-registered delegates only.

IMPORTANT – Due to space constraint, only pre-registered delegates will be allowed to participate. The organisers cannot be responsible or guarantee space for delegates wishing to register on-site or on-departure.
