

Annex B: MaritimeSG Youth Ambassadors' Logo

Featuring a ship's wheel and four stars on the outer edge, the MYA logo represents the ability of MYAs to navigate together as a team through calm and rough seas, as guided by the 4 nautical stars. The anchor in the middle of the logo highlights the importance of staying grounded and resilient in the face of challenges, while blue was chosen to represent loyalty and stability as MYAs seek to inspire more youths to join the maritime industry.
